## Specifications

### Mirrascreen Profile:

Only 100% Bluescope Colorbond® steel is used to manufacture all posts, rails and infill sheets for Our Town's Mirrascreen® panels in a range of 35 modern colours. See website for colour range. Bluescope Colorbond® steel up to 10 year warranty guarantees that you will have the best fence available for many years to come.

Visit the Our Town Fencing website for warranty application link and maintenance tips. Ensure that all fencing is erected as set out in the installation guide available as a download from our website.

Colorbond® and BlueScope are registered trademarks of BlueScope Steel Limited.
